List of Figures.....	xiii
List of Tables.....	xxv
Abstract.....	xxxi
1. Introduction.....	1
1.1. The site.....	1
1.2. The main questions	3
1.3. Urbanism and its impact on human health.....	6
2. Knossos in Context.....	9
2.1. Hellenistic Knossos.....	9
2.1.1. Dysfunctional conflict or functional <i>koinon</i> ? The political and economic situation.....	9
2.1.2. The archaeological evidence for life at Hellenistic Knossos	10
2.1.3. Hellenistic burial practices at Knossos.....	10
2.2. Roman Knossos.....	12
2.2.1. Roman conquest of Crete and cultural change.....	12
2.2.2. The evolving urban landscape at Knossos	12
2.2.3. The presence of colonists	13
2.2.4. Knossos, a cultural melting pot	14
2.2.5. The burial evidence	14
2.3. Late Antique Knossos	15
2.3.1. Dates and terminology.....	15
2.3.2. Urban contraction and evidence for gradual change.....	15
2.3.3. The religious architecture and burial evidence.....	16
3. Material.....	19
3.1. Previous studies on the Knossos skeletal material	19
3.2. Recovery, preservation and sample condition.....	19
3.3. Topography.....	20
3.3.1. Hellenistic cemeteries.....	20
3.3.2. Roman cemeteries	22
3.3.3. Late Antique cemeteries	25
3.4. Social status of the dead	29
3.5. Grave goods and identity	37
3.6. Representativeness of material.....	43
4. Demography	45
4.1. Introduction.....	45
4.2. Methodology	46
4.2.1. Data Collection and Recording	46
4.2.2. Minimum numbers of individuals (MNI).....	47
4.2.3. Age-at-death	47
4.2.4. Sex.....	48
4.3. Results.....	48
4.3.1. Minimum numbers of individuals (MNI).....	48
4.3.2. Age-at-death	49
4.3.3. Sex.....	53
4.4. Discussion	54
4.4.1. Population size and representativeness of the assemblage.....	54
4.4.2. Representation of society	55
4.4.3. Age structure of the assemblage.....	58
4.4.4. Sex structure of the assemblage	59
4.5. Conclusion	60

5. Stable Isotope Analysis	61
5.1. Background	61
5.1.1. Isotopes and bone composition	61
5.1.2. Isotopes as dietary indicators	61
5.1.3. Diet in the Graeco-Roman world	62
5.1.4. Isotopic evidence for Mediterranean diets	64
5.2. Method	66
5.2.1. Sampling	66
5.2.2. Collagen extraction.....	66
5.2.3. Isotopic analysis	67
5.2.4. Indicators of diagenesis and contamination	67
5.2.5. Tests for diagenesis.....	67
5.3. Results.....	68
5.3.1. Time period	72
5.3.2. Sex.....	81
5.3.3. Age group	84
5.3.4. Tomb type.....	86
5.3.5. Cemetery (location).....	88
5.4. Discussion	94
5.4.1. Time period	94
5.4.2. Sex.....	95
5.4.3. Age group	95
5.4.4. Tomb type.....	95
5.4.5. Cemetery (location).....	99
5.5. Conclusion.....	100
6. Dental Disease.....	101
6.1. Methods.....	102
6.1.1. Caries.....	102
6.1.2. Calculus.....	103
6.1.3. Antemortem tooth loss	103
6.2. Results.....	104
6.2.1. Caries.....	104
6.2.2. Calculus.....	122
6.2.3. Antemortem tooth loss	133
6.3. Discussion	138
6.3.1. Time period	138
6.3.2. Sex.....	140
6.3.3. Age group	141
6.3.4. Tomb type.....	141
6.3.5. Cemetery (Location).....	142
6.4. Conclusions	142
7. Activity: Joint Disease and Enteseal Changes.....	145
7.1. Introduction to activity-related pathology.....	145
7.2. Methodology	147
7.2.1. Osteoarthritis	147
7.2.2. Intervertebral disc disease (IVDD).....	148
7.2.3. Other arthropathies	148
7.2.4. Enteseal changes.....	149
7.3. Results.....	149
7.3.1. Osteoarthritis	149
7.3.2. Intervertebral disc disease	160
7.3.3. Other arthropathies	165
7.3.4. Enteseal changes.....	170
7.4. Discussion	174
7.4.1. Time period	174
7.4.2. Sex.....	175
7.4.3. Tomb type.....	176
7.4.4. Cemetery (location).....	177

7.5. Conclusions.....	178
8. Development	181
8.1. Introduction.....	181
8.2. Methodology.....	183
8.2.1. Bone Lengths.....	183
8.2.2. Stature estimation.....	184
8.2.3. Sex estimation.....	185
8.2.4. Methodological problems.....	185
8.3. Bone Length Results.....	185
8.3.1. Time period.....	185
8.3.2. Tomb type.....	212
8.3.3. Location (cemetery).....	219
8.4. Stature Results.....	224
8.4.1. Time period.....	224
8.4.2. Tomb type.....	224
8.4.3. Cemetery (location).....	229
8.5. Discussion.....	233
8.5.1. Time period.....	233
8.5.2. Tomb type.....	234
8.5.3. Cemetery (location).....	234
8.5.4. Comparative material and sex differences.....	234
8.6. Conclusion.....	235
9. Conclusion	237
9.1. Aims.....	237
9.2. The Hellenistic Period.....	237
9.3. The Roman Period.....	239
9.4. The Late Antique Period.....	242
9.5. Limitations and Future Directions.....	243
9.6. Conclusion.....	244
Bibliography	247
