List of Figures.....	ix
List of Tables.....	xiii
Abstract	xv
1. Defining Interdisciplinarity in Archaeology	1
Preface.....	1
Introduction	1
Objectives of Study	3
Research Justification.....	3
Organization of Study	4
2. Creating an Interdisciplinary Context for La Mina	5
Limitations on Puerto Rican Rock Art Research	5
Contextualizing La Mina	5
The Archaeological Marginalization of La Mina	6
The Archaeological Setting.....	6
The Saladoids and Huecoids (6000 B.C.E. – C.E. 600).....	6
The Ostionoids/PreTaino Peoples (C.E. 600 – C.E. 1200).....	7
The Historical Setting	8
Impacts of Spanish Mentalities of Conquest on Puerto Rican Natives.....	8
The Ethnographic Setting.....	11
The Taino: An Ethnohistorical Interpretation.....	11
Contextualizing Caudwell’s La Mina Photographic Project (2006 – 2018)	14
3. The Ethnogeological, Environmental, and Geological Setting	21
The Ethnogeological Setting.....	21
Environmental Setting.....	21
Physiography	21
Climate	22
Topography.....	24
Hydrology	24
Geological Setting.....	24
Mass Wasting – Earthquakes, Land Slides, Mudslides	27
Regional Petrology.....	28
Soil Types	28
4. La Mina Project Methodology	33
Contextualizing Puerto Rican Rock Art Research: A Short Literature Review	33
Field Methods.....	34
Caudwell Photographic Methods (2006–2018)	34
Field Methods (2015 Season).....	36
Laboratory Methods (2015 Season).....	37
Analytical Methods	40
Classification Methods.....	40
Petroglyph Classification Methods	40
Non-Ceramic Classification Methods	41
Geological Methods	41
Conclusion.....	44
5. Interpretation and Analysis	45
Caudwell’s Project Interpretations	45
2015 Project Interpretations	49
Field Results	49

¡El Yunque se levanta!

La Mina Material Culture Interpretation.....	54
Analysing La Mina’s Rock Art	54
Addressing Differences between Regional Typologies.....	54
La Mina Petroglyph Interpretation	61
Geological Interpretation	62
Terrain and Hydrology	62
Site Petrology and Geological Classification	62
Soil Classification	66
Geomorphological Relevance	66
Dissolution Weathering and Hydrolysis.....	66
Biogeochemical Processes	66
Geomorphological Summary	68
6. Puerto Rico Se Levanata: Resilience and Perseverance in Times of Crisis.....	71
La Mina in the Post Hurricane Maria Era: An Activist Anthropological Approach	71
Contextualizing La Mina Recovery Efforts Using Activist Anthropology	72
Example #1: A Deliberative Conversation – Puerto Rico and Hurricane Maria Recovery Efforts	73
Example #2: Community Outreach – Donating to Hurricane Maria Recovery Efforts	73
Example #3: Community Outreach – Continuing the Conversations	74
Example #4: Community Outreach – Donating Post-2019, Government Unrest, and Earthquakes.....	78
Final Thoughts	78
Appendix A: Project Photographs (2006–2019).....	79
Appendix B: Representative 2015 Field Photos	83
Appendix C: Geological and Archaeological Lab Photos	85
Appendix D: Petroglyph Photos	91
Appendix E: Petroglyph Photos in Chapter 5 Renderings	95
Appendix F: Lithic Artifact.....	99
Bibliography	101
