List of Figures	xiii
List of Tables	xvii
Foreword	xix
1. Understanding Andean Violence	1
1.1. The Phenomenon of Violence.....	1
1.2. Violence in the Andes	3
1.2.1. Andean Warfare (“Real” and Ritual War).....	3
1.2.2. Domestic Violence	4
1.3. Evaluating the Link between Violence and Crisis in the Past	4
1.4. Organization of the Chapters	5
2. The Bioarchaeological Study of Violence in Times of Crisis	7
2.1. Osteological Analysis	7
2.1.1. Trauma Timing.....	8
2.1.2. Number and Location of the Injuries	8
2.1.3. Characteristics of the Fractures.....	9
2.1.4. Mechanism and Causative Weapon	9
2.1.5. Age and Sex of the Individuals (Cohorts).....	9
2.2. Interpreting Violence from Skeletal remains	10
2.2.1. The Contextual Data	10
2.2.2. Patterns of Violence	11
2.3. Social Theory.....	11
2.4. Violence and Crisis	11
2.4.1. Violence and Environmental Stress	12
2.4.2. Violence and Socio-political Changes	12
2.4.3. Resilience.....	13
3. The Pre-History of the Peruvian Central Coast	15
3.1. Geographical and Ecological Setting.....	15
3.2. Cultural History	15
3.2.1. Pre-ceramic/Archaic Period.....	17
3.2.2. Initial/Early-Middle Formative Period	18
3.2.3. Early Horizon/Late and Final Formative Period.....	19
3.2.4. Early Intermediate Period	19
3.2.5. Middle Horizon Period	21
3.2.6. Late Intermediate Period.....	22
3.2.7. Late Horizon Period.....	24
3.2.8. Summary	25
3.3. Evidence of Pre-Hispanic Violence on the Central Coast	25
3.3.1. Pre-ceramic/Archaic Period.....	25
3.3.2. Initial/Early-Middle Formative Period	25
3.3.3. Early Horizon/Middle and Late Formative Period	26
3.3.4. Early Intermediate Period	26
3.3.5. Middle Horizon Period	26
3.3.6. Late Intermediate Period.....	26
3.3.7. Late Horizon Period.....	27
4. Reconstructing the History of Violence of the pre-Hispanic Central Coast	29
4.1. Materials	29
4.2. Description of the Sites.....	29
4.2.1. La Capitana	29
4.2.2. Asia and Asia Baja	30

4.2.3. León Dormido 3 and León Dormido 17	32
4.2.4. Tablada de Lurín	33
4.2.5. Cerro Culebra.....	34
4.2.6. Huaca 20 of the Maranga Complex	35
4.2.7. Copacabana.....	36
4.2.8. Ancón	36
4.2.9. Armatambo.....	38
4.2.10. Pueblo Viejo-Pucará.....	39
4.2.11. Puruchuco-Huaquerones	40
4.3. Methods	40
4.3.1. Biological Profile	40
4.3.2. Chronological Period Assignment	41
4.3.3. Social Status Assignment.....	41
4.3.4. Trauma Analysis.....	42
4.3.5. Meta-analysis	44
4.3.6. Statistical Analysis.....	44
5. Patterns of Violence in the pre-Hispanic Central Coast.....	45
5.1. Initial Period and Early Horizon (Formative Period)	45
5.2. Early Intermediate Period A (White-on-Red Tradition)	48
5.3. Early Intermediate Period B (Middle Lima).....	53
5.4. Middle Horizon 1 Period (Late Lima).....	56
5.5. Middle Horizon 3-4 Period.....	70
5.6. Late Intermediate Period (Ychsma).....	72
5.7. Late Horizon Period.....	76
5.8. Discussion.....	90
5.8.1. Formative Period.....	90
5.8.2. Early Intermediate Period A.....	91
5.8.3. Early Intermediate Period B.....	91
5.8.4. Middle Horizon 1	92
5.8.5. Middle Horizon 3-4.....	92
5.8.6. Late Intermediate Period.....	93
5.8.7. Late Horizon	93
6. A Meta-Analysis of pre-Hispanic Andean Violence	95
6.1. Early-Late Formative Period	95
6.1.1. Central and South-Central Coast	95
6.1.2. Other Regions	95
6.1.3. Comparison with the Pre-Ceramic Period	95
6.1.4. Violence during the Early-Late Formative Period	95
6.2. Final Formative-Beginning of EIP	96
6.2.1. Central Coast.....	96
6.2.2. Other Regions	97
6.2.3. Comparison with the Early-Late Formative Period.....	98
6.2.4. Violence during the Transition to the EIP	98
6.3. Early Intermediate Period B	98
6.3.1. Central Coast.....	98
6.3.2. Other Regions	98
6.3.3. Comparison with the Beginning of the EIP	100
6.3.3. Violence during the EIP B.....	101
6.4. Middle Horizon 1-2	101
6.4.1. Central Coast.....	101
6.4.2. Other Regions	103
6.4.3. Comparison with the EIP B	107
6.4.4. Violence during the MH 1-2	108
6.5. Middle Horizon 3-4	108
6.5.1. Central Coast.....	108
6.5.2. Other Regions	108
6.5.3. Comparison with the MH 2.....	109
6.5.4. Violence during the MH 3-4	110

6.6. Late Intermediate Period.....	110
6.6.1. Central Coast.....	110
6.6.2. Other Regions	110
6.6.3. Comparison with the MH 3-4	115
6.6.4. Violence during the LIP	115
6.7. Late Horizon	115
6.7.1. Violence in the Different Curacazgos/Ayllus of the Rímac and Lurín Valleys.....	115
6.7.2. Violent Trauma in Late Horizon Samples from Other Regions.....	116
6.7.3. Comparison with the LIP	119
6.7.4. Violence during the Late Horizon.....	119
7. Violence and crisis in the pre-Hispanic Central Coast	121
7.1. A History of Violence: Changes in the Prevalence and Pattern of Trauma in the Peruvian Central Coast	121
7.1.1. Early-Late Formative Period.....	121
7.1.2. Final Formative-EIP A	122
7.1.3. EIP B	122
7.1.4. MH 1-2.....	122
7.1.5. MH 3-4.....	123
7.1.6. LIP.....	124
7.1.7. LH	124
7.2. The Causes and Effects of Violence on the Peruvian Central Coast	125
7.2.1. Violence and Socio-Political Changes	125
7.2.2. Violence, Climate Crisis, and Competition for Resources.....	126
7.2.3. Violence and Gender	127
7.2.4. Violence in Subadults.....	128
7.2.5. Violence and Social Status	130
7.3. Methodological Considerations	130
8. Conclusion	133
8.1. The “History of Violence” of the Central Coast	133
8.1.1. Early-Late Formative Period.....	133
8.1.2. Final Formative-Early Intermediate Period A.....	133
8.1.3. Early Intermediate Period B.....	133
8.1.4. Middle Horizon 1-2.....	134
8.1.5. Middle Horizon 3-4.....	134
8.1.6. Late Intermediate Period	134
8.1.7. Late Horizon	134
8.2. The Causes and Effects of Violence on the Peruvian Central Coast	134
Bibliography	137
